SERVICE IS OPPORTUNITY

To all friends and neighbors in one of the best cities in our great country, I want to begin by offering a gigantic thank you to each of you for the most amazing opportunity it has been to serve as a member of the Fruit Heights City Council. In reflecting on the past few years, I could never have imagined this experience would be as incredible as it has been. I have learned so much from so many throughout the city. The city staff, my friends on the council and planning commission and individual residents have each contributed so much to making Fruit Heights the great community that it is. Each of you are responsive and engaged in perpetuating the city of good neighbors.

It is to this end I would like to offer a few thoughts. As I have shared with some, I am grateful for the many things that I have learned, but now I am excited to pass the torch to one of you. We have recently held our caucus and we have some amazing candidates who are seeking the opportunity to serve and contribute to our community. I encourage you to meet with them, invite them to your homes, call them; do what you can to come to know each of them. Running for office is a significant commitment and challenge and I appreciate and recognize those who put themselves in this position to serve our community. Take the time to select those candidates which you believe will best sustain and uphold the community values we hold dear.

As a call to all residents, young and old, there are many, many other opportunities to serve in our community; Emergency Preparedness, Youth City Council and Advisors, Planning Commission, Service Projects, and many other committees. I encourage each of you to find opportunities to be involved in service to your neighbors and our wonderful city.

Finally, I would like to express my love and appreciation to my amazing wife and children. They have been incredibly supportive throughout the last four years and I owe so much to them. It has truly been an amazing experience to serve the citizens of Fruit Heights and I am encouraged that Fruit Heights is definitely on the way to an amazing future!

BE FIREWISE

Remember we live in a wildland-urban interface (WUI) area where the places we live and play meet the wilds and carry substantial risk of burning in a wildfire due to accumulated fuel such as dried grass, trees and brush.

Cultivated landscapes within WUI areas, with mown grass, pruned trees, cleared pine needles, dead leaves, and branches from around our homes can make the difference if a home will survive a fire. Cooperation from our residents is needed. Please read more at <https://ffsl.utah.gov/images/Fire/wui/FirewiseLandscaping07.pdf>.

ON-STREET PARKING

Now that summer is almost here, many will be making family vacation plans. As a reminder, the City has ordinances pertaining to the parking of vehicles, boats, RV's, and trailers on city streets overnight.

We understand that it takes time to prepare for a vacation and to clean up after vacation. The City's Ordinances allow for boats, trailers, RV's and vehicles to be parked on city streets for a period of 24 hrs. only. Please be mindful of the City's ordinances, if you have questions or concerns please contact the City Office.

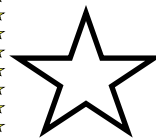

Have an enjoyable summer!

REMEMBER ANIMAL CARE

Please remember to leash your dog(s) at all times. Please take your plastic containers for proper waste pick-up when walking dogs in residential areas and public parks. Also, respect your neighbors by keeping your dogs from continual barking. Please call Animal Control for nuisance animals 801-444-2200. Call Wildlife for dead deer 801-476-2740.
