GARBAGE PICK-UP

During the weeks of Christmas and New Year's Day, the garbage pickup will be delayed by 1 day for each holiday. This allows for Robinson Waste employees to also have a holiday off.

We are very thankful for the service Robinson Waste gives our residents. They are very dependable, courteous and always there for us!

Dear 'City of Good Neighbors',

'Tis the season for reviewing the past year, as well as looking towards the bright future.

As a City, we are proud of the sound fiscal traditions being carried on and the projects that are getting accomplished. Road and infrastructure works are essential maintenance features of a well-run city. And as the highway project gets underway in the coming year(s!), we can expect more dust, detours and inconvenience. But it is all in the name of progress and safety!

The recent election results evidenced a support of city leadership with the re-election of two current City Councilors and the return of a previous City Councilor.

THANK YOU for your VOTE OF CONFIDENCE! We are committed to being careful and conscientious elected city leaders.

May the holidays be safe and joyful for all.

ROAD CONSTRUCTION COMES TO AN END

Many of us have been adversely affected during the long months of road construction in the city. East Nicholls Road and Ellison Farms Subdivision now have new culinary water lines. East Nicholls Road has new irrigation water lines by Hights Creek Irrigation. It's been a long hard summer. Fortunately there will now be nice new asphalt for when the snow flies. Thanks to everyone for your patience and kindness during these difficult and time consuming projects.

Winter Parking Restrictions

Beginning November 1st through April 1st, overnight parking is prohibited on streets from **12:00 midnight—8:00 a.m. and during times of snowfall**. Please tell your guests/renters so the snowplows are able to do a more effective job.

Violators will be cited by the Sheriff's Department whether it snows or not.

Also, please remove trash cans from the street as soon as possible to help facilitate snow removal. Our snow removal crew appreciates the residents' compliance in the past and asks for your continued cooperation. **Thank you!**
