Fruit Heights City Founder's Day 2016

FRUIT HEIGHTS FOUNDER'S DAY AUGUST 6-7, 2021

The party is back! Join friends, family and neighbors as we celebrate Fruit Heights' Founder's Day at Nicholls Park. Play a round of golf on Friday, August 6, and then enjoy a fun run, live music, local food trucks, train rides for kids, laser tag and more on Saturday, August 7. Tour an AirMed helicopter and other emergency vehicles, as well as meet a working K-9 unit. Finish the day with a magic show and fireworks.

Attendees are encouraged to bring their own water bottle to the park, as it is expected to be very hot, and water availability is limited on-site this year. **See complete schedule of events on reverse side or online at www.fruitheightscity.com.**

Fruit Heights City Founder's Day 2016

9/11 DAY OF SERVICE

This September marks 20 years since that tragic day in 2001. Since then, September 11 has served as a day to give service to others in tribute to those killed and injured on September 11, 2001.

Opportunities will be available for residents to volunteer and serve as the date draws closer. Look for more information and service opportunities at www.fruitheightscity.com or <https://americorps.gov/911-day>.

MEET THE CANDIDATES

Fruit Heights residents will vote for the office of Mayor and two City Council seats in November's General Election. Fruit Heights City does not hold primary elections.

Residents can learn more about each candidate at a **Meet the Candidate** gathering later in August. More details will be announced online at www.fruitheightscity.com.

UPDATE ON CONSTRUCTION PROJECTS

400 North: The interchange at 200 N./400 N. is now open. Finish work will continue through 2021, but traffic flow will be maintained. U.S. 89 will remain narrowed while the bridge at Nicholls Road is constructed.

Nicholls Road: Now that the 200 N./400 N. interchange is open, UDOT closed Nicholls Rd. at U.S. 89 for approximately 24 months while crews work to install a bridge over U.S. 89. Traffic on U.S. 89 will shift as crews work on the Nicholls Rd. portion of the project.

Mill & Overlay Work: Beginning in August, Fruit Heights City will complete mill and overlay road projects on Country Lane (from 400 N. to Raymond Rd.) and along Village Way and Signal Hill. Residents on these streets are asked to **NOT PARK ON THE STREET** during the month of August. This is a maintenance technique that removes the top 2" layer of the street, then a new layer is put in place.

Lloyd Road: Lloyd Road is closed north of Bogey Lane through early August. Traffic should use Eagle Way as an alternate route while crews perform a bore to install a sewer crossing underneath U.S. 89.

West Frontage Road: Curb, gutter, and preparation for asphalt paving are planned from Green Rd. to Bogey Way in early August. Residents can expect an increase in vibration and construction activity during the day.
