

Q. Would you like a cemetery built in Fruit Heights?

CEMETERY SURVEY: RESIDENTS SHARE OPINIONS

For years, residents have shared strong feelings for and against the City building a cemetery in Fruit Heights. A committee of residents was formed to consider needs from the community, projected costs, and other considerations.

A survey about a cemetery was recently presented to residents. The survey was publicized in utility billings, signs around town, on the city website and on social media. Survey questions were reviewed by the cemetery committee and the city council. Open for three weeks, the survey recorded 602 responses.

HONORING VETERANS AT CITY HALL THIS SUMMER

To honor veterans, a beautiful stone memorial will be placed near the flag poles at City Hall. The memorial will consist of three stones; a central stone commemorating the various branches of the military, and side stones listing the names of veterans who have ever lived in Fruit Heights.

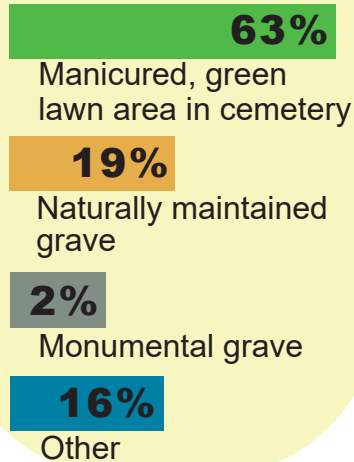

Residents organized this memorial, and have raised about half the \$10,000 needed. The committee is turning to the community to raise additional funds. Donations may be made at City Hall, or at www.fruitheightscity.com or by calling City Hall at 801-546-0861.

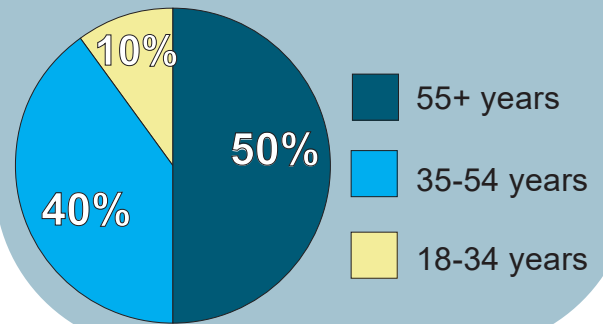

Q. If necessary, would you support a tax increase to fund the building and maintenance of a cemetery?

Q. If buried, what kind of grave would you choose?

Q. What is your age range?

CONSTRUCTION UPDATES

Nicholls Park: City crews are excited to get the ballparks back in shape. New sprinkler lines are going in now, which will be followed by improvements to the hillside and then all new landscaping will go in.

1800 East: Crews began work at the south end of 1800 East, working south, to extend a water line and road. Work has temporarily affected Fruit Loops bike trails, but trails will be repaired. The new road will connect to Bella Vista, a road in Farmington. The project is scheduled to be completed in June.

Chip Seal Work: This process distributes a thin layer of hot tar and finely graded aggregate onto an existing paved surface. Several streets are set to receive this work this spring, including Cherry Lane and Country Lane.

City Hall: Areas of the front porch and patio of the City Hall building have sunk, cracked and are detaching from the building. City Manager, Darren Frandsen, wrote for, and was awarded, a grant to remove the damaged areas and rebuild the front patio, steps and access ramp. Watch for updates.

CONGRATULATIONS

GRADUATES!

SUMMER PARKING

As summer fun gets going, please remember parking ordinances allow for boats, trailers, RVs and vehicles to be parked on city streets for only 24 hours without moving.

ITEMS OF NOTE

- **Park restrooms** are now open for the summer
- **Founders Day** Aug. 24 at City Hall. Save the Date so you don't miss all the fun!

IMPORTANT NUMBERS

- Fruit Heights City Hall 801-546-0861
- Davis County Sheriff's Office 801-451-4150
- Robinson Waste Collection 801-825-3800

FIREWORK SAFETY

As summer kicks off, and the fun parties get going, many of us look forward to fireworks. Fireworks are a fun way to celebrate, but **we must all be aware of safety issues and wildfire hazards.**

Surrounded by so much vegetation and fuel for fires, restrictions on open fires and fireworks are necessary. Much of our city falls in restricted areas, allowing no discharging of fireworks.

See map of firework & burn restrictions:
www.fruitheightscity.com

Founder's Day Celebration

**August 24
City Hall**

- Car Show
- Food Trucks
- Live Band
- Ice Cream
- Quilt Show
- Chalk Art Contest
- Fun Activities
