In 1939, our beautiful community was known simply as Old Mountain Road. That year, a baby was born, bringing the population to exactly 100 - the required number of residents to incorporate an area as a town. Fruit Heights was born!

This year marks 85 years since that day. Eighty-five looks good on you, Fruit Heights! To celebrate, Fruit Heights City is hosting the annual Founder's Day Celebration.

All funds supporting the project were donated by the community. The project initially had a cost of \$10,000. With the addition of two rocks, additional cement work, lights and landscaping, the cost increased.

Your donations are still needed and very appreciated. To donate, please scan the QR code or visit fruitheightscity.com to donate online, or call City Hall at 801-546-0861.

Upon hearing this news, our community cheered and supported the effort. Hundreds of veteran's names were submitted. A dedicated committee of volunteers gathered and verified each name as having lived in Fruit Heights at some point, and having served in various branches of the U.S. Military.

Due to the high number of veterans in our city, and the tremendous support of our residents, the initial plan of three rocks to hold veteran's names quickly
