

A SPOOKY TRADITION RETURNS

FRUIT HEIGHTS CITY PRESENTS

FABLE FOREST at Gailey Trail

After an amazing first year, Fable Forest is returning! In case you missed it, let us introduce you to the fun! Fable Forest takes attendees on a family-friendly and only slightly spooky adventure through fairy tales along Fruit Heights' Gailey Trail.

The event, organized by community members, also serves as a service project for the youth city council of Fruit Heights. Not only do the teens act out the stories, they collect and donate food to the Bountiful Food Pantry. The entry fee is the donation of a non perishable food item. Last year, 2,000 people visited Fable Forest, and more than 2,000 lbs. of food was donated.

ENTRY FEE: BRING A NON-PERISHABLE FOOD ITEM PER ATTENDEE

Fruit Heights Moves From .com to .gov

Fruit Heights City has moved its website address from fruitheightscity.com to fruitheights.gov, clarifying status as an official government website. Many cities made the change in recent months. The public can now access the official city website by visiting fruitheights.gov.

The .gov domain is only available to U.S.-based governmental organizations, such as federal, state, and municipal governments. This offers important advantages, primarily credibility and trust. Staff email addresses also changed to the new domain. Learn more online.

TRIM TREES AHEAD OF WINTER

As you admire the beautiful fall colors on display right now, take a second to look at the trees and branches in your own yard, too. Did you know you are responsible for pruning trees and vegetation near park strips, sidewalks and roads to meet City codes?

And just what are those codes you ask? Great question. Fruit Heights City Code Title 7-1-2 requires tree branches be trimmed to 12' above the street, 8' above sidewalk, and all vegetation should be cleared to behind the curb and sidewalk.

Trimming growth protects pedestrians, street maintenance equipment, and helps facilitate snow removal, garbage collection and mail delivery.

CITY CODE

- Trim vegetation to 8' above sidewalk
- Trim vegetation to 12' above road
- Trim vegetation to behind sidewalk

INFORMATION TO NOTE

VETERANS MEMORIAL Submit any new names online by Oct. 8.

WINTER PARKING runs Nov. 1 - April 1. No parking on streets overnight, or during snowfall.

GREEN WASTE service ends December 1. Green cans may then be used as an additional garbage can through March.

PARK RESTROOMS will lock for the season in October.

SECONDARY WATER providers turn off irrigation water Oct. 15.

Trim branches near street

Clear debris from rain gutters

Drain sprinkler lines
